This two-day symposium—a celebration of the 25th Anniversary of our student and faculty exchange—includes law faculty from the universities of Minnesota and Uppsala presenting on five topics of American and European/Scandinavian legal interest. Audience questions and comments will be welcome. After the symposium on Friday, the University of Minnesota Law Library's Reisenfeld Rare Books Research Center will be open and staff will be available to discuss the rare book and extensive Scandinavian collections.

Reconnect with old friends and meet new colleagues. Past participants in the exchange, current and former faculty and staff of the University of Minnesota and Uppsala University, and members of the community are all invited to attend! Symposium presentations are free of charge.

Abstracts of presentations and biographies of the presenters are available online at:
